### **MSME REGISTRATION IN INDIA**

The MSME sector are also known as small-scale industries or SSI's Due to the MSME Registration, the bank loans become cheaper as the interest rate is very low around ~ 1 to 1.5%. Much lower than interest on regular loans. It also allowed credit for minimum alternate tax (MAT) to be carried forward for up to 15 years instead of 10 years Once registered the cost getting a patent done, or the cost of setting up the industry reduces as many rebates and concessions are available. MSME registration helps to acquire government tenders easily as Udyam Registration Portal is integrated with Government e-Marketplace and various other State Government portals

#### **Requirements:**

1. Aadhaar Card is only document required for MSME registration.
2. MSME registration is online and no proof of documents is required.
3. PAN and GST linked details on investment and turnover of enterprises will be taken automatically by the Udyam Registration Portal from the Government databases.
4. The Udyam Registration Portal is integrated with I-Tax & GSTIN
5. PAN and GSTIN is mandatory for registration.
6. Registration without PAN and GSTIN have to be updated
7. Those who have EM-II or UAM registration or any other registration issued by any authority under the Ministry of MSME, will have to re-register themselves in this Portal
